

Fragile, engulf  
Come on, turn on  
Penetrate without touch  
Lay waste the virgin you were

Come on it barely shows  
I'll grow to face your God  
Consumed you'll hardly know  
Atrophy of souls

Fragile, engulf  
Come on, turn on  
Strap in and pose for the pawn that you are  
Thrusting in deeper you'll beat me  
Feed on the products of filth like a fiend  
Worship and praise to the screen

Come on it barely shows  
I'll grow to face your God  
Consumed you'll hardly know  
Atrophy

Come dance with me,  
The shadows,  
In the moonlight,  
Are calling.

Strap in and pose for the pawn that you are  
Thrusting in deeper you'll beat me  
Feed on the products of filth like a fiend  
Penetrate without touch

Come on it barely shows  
I'll grow to face your God  
Consumed you'll hardly know  
Atrophy

Self Indulgent  
Your leisure  
Self Indulgent  
Your leisure

Force feed  
Force feed  
Force feed us
