

## Hot To Trot

10cc

She had a shake like a belly dancer  
and a body like a tiger tiger (uh huh, uh huh)  
She was looking at me

Now you know that I ain't no dancer  
But there's gotta be a way to meet her  
So I just walked up to her and said  
Are you hot to trot?

Well I knew I was looking cool  
Pretty sharp like a razor razor (uh huh, uh huh)  
She was smiling at me

So I said if you got the notion  
We could take a little trip to the ocean  
She said that'll be OK  
'Cause I'm hot to trot

We were having a ball by the water  
Talking about life and philosophizing (uh huh, uh huh)  
She was really talking to me

She said I can't understand why you gotta hustle  
Struttin' and posin' and flexin' muscle  
So I said, well that's easy baby  
I'm hot to trot
