Lazy Ways

Hazy Days With Lazy Ways You get less done but more Out of your days How can you work yet avoid Getting out of your lazy ways You'll never get up if you don't get up You'll always stay down if you sit around You'll never get up if you don't get up You'll always stay down if you sit around Hazy Days Lazy Ways We got less done but more Out of our days How can we ever recapture the feeling Of lazy ways You'll never get up if you don't get up You'll always stay down if you sit around Where nobody cares and nobody tries 'Cos a daydreams resting on the back of your eyes On the back of your eyes Taking five Bring love to me With your body Let me hold you Endless, endlessly You'll never get up if you don't get up You'll always stay down if you sit around Where nobody cares and nobody tries 'Cos a daydreams resting on the back of your eyes On the back of your eyes Hazy days Lazy ways You get less done but more Out of your days
