

## Everyday

112

Everyday...  
Yah...  
Oh Oh, Everyday...  
This is the real right here...  
Things aint always what they seem...  
Check it...

People look at us  
And say man they got it made  
They signed a record deal  
And now them boys is paid  
But they don't know what comes along with it  
With all the fame and the fortune there's still bull...  
Cause even though we struggled hard  
And gave up everything just to make it this far  
Some people love us, and  
Other people hate us  
But we gonna take the haters  
Make them our motivators  
Cause they don't  
Know what we've been through  
And none of them could ever  
Walk a mile in our shoes  
And I got to keep it real  
Every record deal aint a good record deal  
But I'm a grown man so I didn't cry about it  
Kept my head up, stayed strong  
Until I got up out that contract  
And I reminisce on what my lawyer use to say  
But I wanted it so bad  
I guess I had to learn the hard way  
Everyday...  
Yah...

Everyday...  
The pressures of this game got us goin insane...  
If it aint one damn thing it's another thing...  
Everyday...  
The pressures of this game got us goin insane...  
If it aint one damn thing it's another thing...

People wanna know  
What's goin on with one twelve  
If they leave, if they leave  
Are their records gonna sell  
They say that he gave us the hits  
Knowin damn well that we write our own sh...  
It's not that I'm mad about it  
But I gotta clear it up  
for those wonderin about it  
I think you need to read the credits  
Open up the cd dog and read the credits  
Cause things aint always what they seem  
So don't believe everything you see on t.v.  
In the videos, I was in a Bentley  
And that Bentley in it, belonged, to me  
My earrings had to be at least 5 karrots

I had to live up to that superstar status  
Stayed on the road  
Had to stay doin shows  
Even though I'm goin broke  
I couldn't let nobody know

Everyday...

The pressures of this game got us goin insane...

People look at us and say  
How does it feel  
On a new label  
With a multi million dollar deal  
I'm just glad we stayed together  
We put our faith in the lord  
And he made things better  
Cause he said it in his word  
That one day your gonna get  
What ya'll deserve

Wow...

Now aren't ya glad we stayed together  
Through the good and the bad times  
We stayed together  
Through the rich and the broke times  
Through stormy weather

And...hey...

Now we look back like  
Don't you remember  
when you couldn't afford that boy  
Hey...

Sunroof top  
Chillin by sea  
With a down south female  
Like hey...  
How ya love that  
24 inch rims  
Big body Cadillac  
And...hey...  
We do it like that

Everyday...

The pressures of this game got us goin insane...  
If it aint one damn thing it's another thing...  
Everyday...

The pressures of this game got us goin insane...  
If it aint one damn thing it's another thing...
