Give it to me (4x)
Give it to me (3x)
Every time I think about
The way you make me feel
I get Excited, so excited
Yeah
The thought of you right next to me
There are no words that can describe it
Can describe it
I can't hide this feeling I feel
When I'm close to you
When I'm close to you, When I'm close to you
Stop wasting time playing games
Girl just give me all of you
Give me all of you
Right now, right this way
I just can't help
But you keep my eyes on you I
Girl I got to have it
I got to have it
I got to have it
Baby I got to have it
Because I want, your eyes are so sexy
Girl you got to
Give it to me (4x)
Guess whose back
Girl the way you look
It makes me want to take off all your clothes
Take off your clothes
I love you legs, your hips, your lips, your skin
Girl I can't take it no more
