

## Slip Away

112

Baby...  
I wish you had recognized...  
The love I had for you...  
When it was in my heart...  
And when it was there for you...  
Because now...  
You're coming back to me...  
And you recognize the love that was once there...  
But I found somebody else...  
It's too late...I'm sorry...

You should have known that I loved you  
You should have seen it in my eyes  
Should have allowed yourself to  
Believe in love, and recognize  
That my love, it wasn't going nowhere  
Noone but you was in my heart  
And I can't believe that you would push your love aside  
Baby...

R: It's too bad  
You missed out on me  
And it's so sad  
Sad that you're gone away  
And I'm sorry  
That you missed out on me  
But it's too late  
You let my love slip away

And you should have known that I was open  
You should have seen it in my smile  
Should have allowed yourself to be adult, instead of a child  
But you are the one with insecurities  
You tried to put the blame on me  
You never knew that my love was really here to stay  
And now it is...

R:

Baby tell me how...  
Baby how could you  
Let our, love, fade away  
But you never knew  
I cared for you, and that I loved you  
And you never, gave me  
Your everything  
This love was not for you  
And Baby...

R: (2x)

You should have known that I loved you  
You should have seen it in my eyes  
So sorry, but you let my love slip away  
You should have known that I was open  
You should have seen it in my smile  
So sorry, but...

R:
