

Sweet Love

112

Baby I want your body close, you on top of me, can you feel it
I'm gonna make your body drip all over me, baby me inside of you
So take off all your clothes and throw them on the floor
You won't need them
'Cause I want to give you every little thing you need and more
Let me tell you what you want to do

I want to make love, sweet love, all night long to the rising of the
sun
Hold your body close to mine it feels so right, don't let go of me
I want to make love, sweet love, all night long to the rising of the
sun
Hold your body close to mine it feels so right don't let go of me

Baby I can give to you any way you like it
You just let me know
I'm giving you the key so you can ride me fast or slow
'Cause on this ride of love, we're gonna go
To places you and I ain't never been before
Baby imagine me kissing all over you
Your body's trembling, I know you're feeling me
Oh I know it's getting serious
And I'm tired of being curious
'Cause my body is filled with lust
Can't take it no more bet you whisper oh

I want to make love, sweet love, all night long to the rising of the
sun
Hold your body close to mine it feels so right, don't let go of me
I want to make love, sweet love, all night long to the rising of the
sun
Hold your body close to mine it feels so right don't let go of me

I want to make love, sweet love, all night long to the rising of the
sun
Hold your body close to mine it feels so right, don't let go of me
I want to make love, sweet love, all night long to the rising of the
sun
Hold your body close to mine it feels so right don't let go of me

Girl the chemistry between us, I can't explain
I love to hear call my name
I can see it in your eyes that you want me too
Don't you be afraid of what I'm bout to give to you
Girl the tears you cry are out of happiness
Pleasure instead of loneliness
Baby every single part of me inside of you
Pleasing you, pleasing you, make you scream louder

I want to make love, sweet love, all night long to the rising of the
sun
Hold your body close to mine it feels so right, don't let go of me

I want to make love, sweet love, all night long to the rising of the
sun
Hold your body close to mine it feels so right don't let go of me
