

Write a note to tell me how you feel  
'cause I'm both your friend and foe so don't  
Buy, sell, or trade anything from me  
I know you feel as good as I feel  
Too bad it wasn't yesterday  
'cause we'd feel twice as good right now  
I'm like your pistol in your hand  
Undress me now stay while you can  
Seduction can be oh so nice  
I'm not as sick as you might think  
'cause your thing has that awful stink  
Of that shit you use  
I'm not the only one who  
the only one who knows  
The only one who knows  
The only one  
take these hands and run along with me  
Doing this I know would set us free  
Only if you weren't such a fucking tease  
Somehow you'd always drag me to my knees  
This disease I call it abstinence  
I'm like your pistol in your hand  
Undress me now stay while you can  
Seduction can be oh so nice  
I'm not as sick as you might think  
'cause your thing has that awful stink  
Of that shit you use  
I'm not the only one who  
the only one who knows  
The only one who knows  
The only one
