

Broken Road

12 Stones

Time, moves slowly while you're gone
I haven't heard your voice in quite some time
But I still see your face
I cannot erase the things you've done
And all the ways you kept me hangin' on

Now your gone
I've moved on
And I don't feel so sorry
Can't you see I'm bleeding
But I won't bleed anymore
I've held on
For so long
But I had to let you go
At the end of our broken road

I know, it hurts to hear the truth
Well maybe
I was never meant to be with you
And I cannot replace
The tears of disgrace
That run for you
'Cause running from the truth is what you do

Now your gone
I've moved on
And I don't feel so sorry
Can't you see I'm bleeding
But I won't bleed anymore
I've held on
For so long
But I had to let you go
At the end of our broken road

You were all I've ever known
And I cannot replace all these tears of disgrace
And I won't bleed for you anymore

Now your gone
I've moved on
And I don't feel so sorry
Can't you see I'm bleeding
But I won't bleed anymore
I've held on
For so long
But I had to let you go
At the end of our broken road

And I won't bleed for you anymore
I've moved on
And I won't bleed for you anymore
I'm bleeding but I won't bleed anymore

I've held on
For so long
But I have to let you go
At the end of our broken road
