

# Psycho

12 Stones

Everybody's going psycho

Lights go out  
It's finally going down  
You feel it in the air  
It's going to leave you hypnotized  
I feel so alive  
Let's live life like we're never gonna die  
Join me if you dare cause we're going to leave the rest behind  
I feel so alive

Losing all control  
I can feel it in my soul  
We can finally let go  
Everybody's going psycho  
Hands up, turn it down  
Lose it to the sound  
We can finally let it go  
Everybody's going psycho

Now's the time  
To see the other side  
One last chance to finally step across the line  
I feel so alive  
Psycho eyes  
Leave you paralyzed  
Lock all the doors there's no place left to hide  
I feel so alive

Losing all control  
I can feel in my soul  
We can finally let go  
Everybody's going psycho  
Hands up, turn it down  
Lose it to the sound  
We can finally let it go  
Everybody's going psycho

Let me see you go psycho  
Let me see you go psycho  
Let me see you go psycho  
Let me see you go psycho

Losing all control  
I can feel it in my soul  
We can finally let go  
Everybody's going psycho  
Hands up, turn it down  
Lose it to the sound  
We can finally let it go  
Everybody's going psycho

Losing all control  
I can feel in my soul  
We can finally let go  
Everybody's going psycho  
Hands up, turn it down

Lose it to the sound  
We can finally let it go  
Everybody's going psycho

Everybody's going psycho
