

I walk to the edge again  
searching for the truth.  
Taken by the memories  
of all that I've been through.

If I could hear your voice  
I know that I would be okay.  
I know that I've been wrong  
but I'm begging you to stay, won't you stay!

Will you be here or will I be alone,  
will I be scared, you'll teach me how to be strong.  
And if I fall down will you help me carry on,  
I cannot do this alone

I wish that I could turn back time.  
Just to have one more chance  
to be the man I need to be,  
I pray you'll understand.

If I could hear your voice  
I know that I would be okay.  
I know that I've been wrong  
but I'm begging you to stay, won't you stay!

Will you be here or will I be alone,  
will I be scared, you'll teach me how to be strong.  
And if I fall down will you help me carry on,  
I cannot do this alone

I need your hand to help me make it through again.  
Nothing compares to how I feel when I look at you.  
You never know, you never know tomorrow  
You never know, you never know tomorrow,  
Don't walk away!

Will you be here or will I be alone,  
will I be scared, you'll teach me how to be strong.  
And if I fall down will you help me carry on,  
I cannot do this alone

I am not alone I know you're there  
I am not alone I know you're there  
I am not alone
