

DMT

1200 Micrograms

I remember the very very first time I smoked DMT.

Hallucinations

This is your last chance. After this, there is no turning back.
You take the blue pill - the story ends. You wake up in your bed
and believe whatever you want to believe. You take the red pill
-
you stay in Wonderland and I show you how deep the rabbit-hole
goes.

Take the blue pill.

Hallucinations

know the difference between the dreamworld and the real world?

I remember the very very first time I smoked DMT.
