

## To Rottendom

1349

Inescapable hell  
Vomited from an impure soil  
Riven with death  
Like flies on rotten flesh  
Hatred is carved onto this earth  
On the bones of the dead  
The fire of glory has long since faded

To rottendom  
Onto rottendom

To rottendom  
Onto rottendom

Into a pit of nothingness  
Your soul laid bare  
You all shall be none  
Crawl back to your nest  
Salt this earth with your dying sons

Feverish dreams of a world down in flames  
Marching to the downstrokes  
Of hells titan pistons

Exquisite execution  
In a burning grip  
The rotted life - blood drains away  
Onto rottendom

Standind in mute judgement  
Foul souls in bounds of iron  
Harkening to the death watch  
Hell is your cross to bear  
Hell is your cross to bear!

To rottendom  
Onto rottendom
