I Need You

14 Bis

You don't realize how much I need you
Love you all the time never leave you
Please come on back to me
I'm lonely as can be
I need you

Said you had a thing or two to tell me
How was I to know you would upset me

I didn't realize as I looked in your eyes
You told me
Oh yes you told me
You don't want my lovin' anymore
That's when it hurt me
And feeling like this I cannot go on anymore

Please remember how I feel about you
I could never really live without you

So come on back and see
Just what you mean to me
I need you
(I need you)

But when you told me
(Yes you told me)
You don't want my lovin' anymore
That's when it hurt me
And feeling like this I just can't go on anymore
Please remember how I feel about you
I could never really live without you

So come on back and see
Just what you mean to me
I need you
I need you
