

## Harm's Way

16 Horsepower

Here ain't nothin' that ain't in my way  
And like the fool I am for my own gain I pray  
You say you found a way back inside my closet  
Ol' bones upon bones and joints upon sockets  
Yep, yep  
I am an honest man when I ain't lying  
I am a living man when I commence to dyin'  
Bring it down, bring it down on me  
Put me on a high horse so everyone can see  
Then kick the nag and leave me be  
Swingin' from the tree  
Listen, good people, I'll tell you some truth  
I got no reason to lie to you  
I'm as clean as a hounds tooth  
I still love the woman of my youth  
The Lord on my behalf doth pray  
He's with me even in harm's way
