

To hell with boys creepin' up slowly  
Swingin' them shovels 'round  
Diggin' up words of pleasure  
From evil hollow ground  
Oh an' here's one now girl  
The devil is in his eye  
You'd better start stirring up soil boy  
Or hear e'are you'll lye  
Whispered to you in the dark  
And I think you heard me say  
Let's say goodbye like we said hello  
In a friendly kind of way  
Ye charlie's neat an' charlie's keen but  
David he's a dandy  
David he's a nice young man  
He feeds the girls on candy  
Whispered to you in the dark  
And all that sordid gain  
Let's say goodbye like we said hello  
In a friendly kinda way  
Now what I done's my damage  
An' what you do is your'n  
Y'all got nothin' on me  
But I'll take that there  
Crown of scorn
