

Bathed in the bloody limbs - don't cry  
You've been burned by the fire - don't cry  
Sick bastards - don't cry  
Black  
Burning fire  
Stripped of all your clothing - don't cry  
You've been raped by a frat boy - don't cry  
You smashed his face - don't cry  
Black  
Burning fire  
Kill them all - watch them cry  
Gut them like trout - watch them cry  
Wipe the tears away from his face  
Watch him cry  
Black  
Burning fire
