

Two weeks survived
With fucking nothing
Low self esteem and
We're further buried

Career cancelled
Trapped in a cubicle
Career cancelled
I'm not an animal

I'm planning revenge
With lethal chemicals
Put concerned coworkers
In local hospitals

Career cancelled
Trapped in a cubicle
Career cancelled
I'm not an animal

The workplace on fire

Career cancelled
Trapped in a cubicle
Career cancelled
I'm not an animal

The workplace on fire
