## **Keep Sleeping**

Fell into a sleep Something grabbing me All the time is lost Everyone is gone There i go again Everything is dead Everyone is fucked Every time im stuck Fell to easy Someones own is all alone Fell to easy Someone grows into a stone Fell into a sleep Never ending dream All the time is lost Slip into exhaust There i go again Everyone is dead Life has become lame You're the one to blame Fell too easy Someones own is all alone Fell too easy Someone grows into a stone Fell too easy Sometimes i wish i could end you Fell too easy It would be so nice to remove you Fell too easy Sometimes i wish i could end you Fell too easy It would be so nice to remove you 16volt
