

Feel So Good

2 Brothers on the 4th Floor

Don't you know love is the greatest thing
That the world has ever known !
Ey-eyah. Ey-eyah. Ey-eyah

I'm the one who can make you feel good
Ho, like the lovers should
Take you around the world just like the sun
Ho, you're my number one
Never before I felt this way
So it's time to say what I need to say, hey
If I could you know I would
I'm the one who can make you feel good

It makes me feel so happy
It makes me feel so good. Yeah yeah
It makes my body pumping
It makes my body move
It makes me feel so good. Yeah, yeah
It makes me feel so good. Yeah, yeah
Yeah. Yeah. Yeah

I feel strong without the fear
No need for tears 'cause I'm here
It's so true what I feel
Wanna prove to you that my love can heal
All the pain from the past
..... wanna make you last
If I could you know I would
'Cause I'm the one that can make you feel good

(Don't you know love is the greatest thing
That the world has ever known)
L.O.V.E. is what you mean to me
I'm the and you're the rest
Two hearts combined when the feelings is right
..... every day and night
Is it a fantasy? I don't care
This is you and me
If I could then you know I would
'Cause I'm the one that can make you feel good
