Damn right they got it, damn right they got it (4x)

I say lame n-ggas be quiet, lame n-ggas be quiet,  
Lame n-ggas be quiet You in the presence  
I say lame n-ggas be quiet, lame n-ggas be quiet,  
Lame n-ggas be quiet You in the real presence

I eat your girl up for breakfast, won't save you no extras  
Say she f-cking with me cause a real n-gga is her preference  
Drinking like I'm from Texas, and you know I stay flexin  
And if you don't know I go by tity two necklace

Damn right I got it, damn right I'm bout it  
Click full of killers, please don't get us excited  
Yea I'm smoking loud so lame n-ggas be quiet  
If you f-ck with us, we gonna start up a riot

I'm a start a riot, I'm a start a riot (4x)

I ain stunnin dese n-ggas, I ain stunnin dese bitches  
2 cigar rellos, look like extension

My pack loud, My gat loud I back out, And click clack pow pow  
Court dates Still Trial, My rep is a reptile  
Now later, alligators, I step ona work like a step child  
Pimp up, hoes down, make your girl pull her clothes down  
Her hair down and I'm down  
Her phone off so don't dial  
Dis right here is dat no style, I don't know how I do the shit  
I'm true to this  
True religion, they takin swag with no permission  
All year it's Gucci season, Gs on my belt buckle  
Cocaine on my left knuckle, Kill your barrel wats left of you

Damn right I got it, damn right I'm bout it  
Click full of killers, please don't get us excited  
Yea I'm smokin loud so lame n-ggas be quiet  
If you f-ck with us, we gonna start up a riot

I'm a start a riot, I'm a start a riot (4x)
