Realest nigga in it, already know  
Got trapper of the year 4 times in a row

Rap shit check, foreign shit check  
Fashion shit check, cashing shit check  
I ain't talkin' Nike when I'm talkin' 'bout a check  
Bought your girl some Nikes when she asked me 'bout a check

Foreign car check, foreign bitch check  
Rolex check, gold around my neck  
Juju on the diamond, my umbrella's designer  
Stand on your recliner, pourin' all the wine up  
Yea I used to pitch, you should see my wind up  
Nigga fuck with me ain't no telling where you wind up  
It's all love, positive vibes  
Walking through the airport in crocodile slides  
Wet floor signs, hands on thighs  
If you got a check put your hands up high

Rap shit check, foreign shit check  
Fashion shit check, cashing shit check  
I ain't talkin' Nike when I'm talkin' 'bout a check  
Bought your girl some Nikes when she asked me 'bout a check

Come on, come on, come on  
I rock the microphone, I had to thank the Lord  
I am in rare form, I had to get it on  
You never feed me, I use my own seasoning  
Autograph cleavage, how many girls believe you?  
How many girls you tried, I know a girl you lied to  
She wants your ass to die, I look you dead in your eye  
It's real nigga season, it's right after Easter  
Might buy me a Regal, put that on my Visa  
I need me some singles, don't care if you're single  
Take you and mingle, take you to Neiman's  
We hit the bars tonight, look at the roof on the Wraith  
It look like the stars at night, yeah

Rap shit check, foreign shit check  
Fashion shit check, cashing shit check  
I ain't talkin' Nike when I'm talkin' 'bout a check
