"Go-o-o-o-o-o-o-od-DAMN!! Shee-yee-YIT!! Look at the ass on that bitch! Look at the titties!"

There's only one place where we can go To see freaky hoes doin' shows Doin' tricks to make us holler On a giving night, all for a dollar Silicone breasts, all on their chests Nothin' like others, but above the rest They'll do anything to turn us on Them hoes got it goin' on!! [BM] I like big booty and big ol' titties Bitch, you know you've been fucked by many So come and be my private dancer I got some money if that's the answer I really wanna be with you; I get hard after seeing you How hard? Hard like a rock, When you make that pussy pop!

(2x):

Pop that pussy! Heyyy! Pop that pussy, baby! Pop that pussy! Pop, pop that pussy, baby!

Freaky bitches with plenty of ass
Rollin' to the music and shakin' real fast
Bend over backwards, make me shout
And work that pussy, in and out
Movin' their body with plenty of action
Bringin' to the men more satisfaction
Doin' what they feel to turn us out
Just work that pussy all the way out!

Shake it! Don't break it!

It took your momma nine months to make it

Bend over and spread 'em, girl

Show-w-w me those pussy pearls

Rub that ass and play with that clit

You know I like that freaky shit

Girl, you know you look so cute

Throwin' that pussy the way you do!

Poppin' that pussy's a dance for the ladies Straight from the South, into the 90's Freaky bitches are the ones I like In G-strings in the middle of the night Smoke-filled stages, bitches in cages Guards at the door, armed with gauges As they dance and I get hot, Keep throwin' that pussy!
