Brother Marquis:

All you raggedy-ass hoes, GET Y'ASS OUUUUT!

Chorus(2x): Mr. Mixx and Marquis

Pump, pump, pump, get it, get it

Shake, shake, shake, shake a lil' somethin'

That's the way (Yeaaaaah)

That's the way (You go girl!)

Verse 1: Brother Marquis

Bitch, I wanna see you shake it

Bend on over, butt-ass naked

Now pump pump pump, get it get it

I got 135 beats a minute

It's your brother, Marquis, callin' all the freaks

To show the pink and the booty-cheeks

Stick from the bottom, stick from the top

Show me a shot, lemme see what you got

Rub that ass and play with that clit

I'm still with that freaky shit

One time for the girls in Georgia,

Detroit, Michigan and Miami, Florida

That's how we make our music fast

'Cause the girls down South like to shake that ass!

They so fine, I can't take it

They gots to freak it, they gots to shake it

Chorus

Verse 2: Fresh Kid Ice

I love the way the girls be shakin'

Especially when they butt-ass naked

Bend on over, show me what you got

'Cause I'm down for a table-top

So work your body, strip left side

Make me smile, get buck-wild

'Cause Fresh Kid Ice got the flow

And now is the time to come get yours

Freaky shit is what I like,

Especially when them bitches dykes

So shake that ass, and bitch, don't stop

Come on, girl, just make me hot

'Cause I'm down for the 69

You better get yours 'cause I gets mine

Show what you got; bitch, stop frontin'

Drop them draws and shake a lil' somethin'!

Chorus

Verse 3: Brother Marquis

I love to see 'em in lingerie

Tattooed titties and a Boosty-A
Stacked on the back of a cutie pie
Bend over, let me see you do the butterfly
So impressin' when undressin'
You got me stressin', bitch, stop flexin'
Keep shakin' that ass at me
Pop that coochie, freak so nasty
Double up on the table top
Hit them switches now make that ass drop
Girl, get wide open
Up and down with an in-and-out motion
Them other kings, they ain't did nothin'
You wanna get freaky? Lemme kiss your belly button
You're so fine, I can't take it
You gots to freak it, you gots to shake it!
