Come together, black and white So, we can all be free tonight To live as one, we can unite Everyone be free tonight You'll be there to see the light We can all be free tonight We can make it work out right Everyone be free tonight

Come together, black and white So, we can all be free tonight To live as one, we can unite Everyone be free tonight You'll be there to see the light We can all be free tonight We can make it work out right Everyone be free tonight

```
Be free tonight...! Be free tonight!
```

Come together
Come together
Come together
Come to, come to, come to, come, come come, come, come together!
Come together
Come together
Come together
Come together

Come together, black and white So, we can all be free tonight To live as one, we can unite Everyone be free tonight You'll be there to see the light We can all be free tonight We can make it work out right Everyone be free tonight!
