2 Unlimited

Baby come and take me on your natural high  
Only you can make me feel the way you do  
Baby come and take me on your natural high  
I like the way you do the things you do

your love is burning like fire!  
Taking me higher!  
Burning like fire!  
You've got to intoxicate your love  
I can't get enough!

My heart starts bouncing, my legs feel weak  
My head is turning and it's hard to speak  
Floating with my mind on the river of joy  
If i'm the player, then your my toy  
Just follow me slow, sexy  
Overeasy rhymes are delivered by me  
Cause you're the one that i desire  
It feels so hot, it burns like fire

Buring like fire  
Higher, higher

Naturally high, my brain's up in the sky  
Without wings, i fly, fly, fly  
Don't ask me why, cause i can't deny  
You move so sexy, i like to give it a try  
Tell me girl now what i'm feeling  
Like marvin gaye 'sexual healing'  
'cause you're the one that i desire  
It feels so hot it burns like fire!

Baby come and take me on your natural high  
Only you can make me feel the way you do  
Baby come and take me on your natural high  
I like the way you do the things you do

Burn it up  
Take me higher  
Burn it up

Your love is burning like fire!  
Taking me higher!  
Burning like fire!  
You've got to intoxicate your love  
I can't get enough!  
Your love is burning like fire!  
Taking me higher!

You've got to intoxicate your love  
I can't get enough!
