Everybody are you ready to hit the floor?

People all over get ready to hit the floor, yeah!
I gotta brand new thing and I'm taking you out for more

Now feel the vibration my body is aching to move So if you think it's cool come on and do it too Let's have a real good time

Come on everybody let's party tonight Come on everybody let's party tonight Let's celebrate we just can't wait Things can only get better

Ooh -ho Zho Ooh -ho Zho Ooh -ho Zho!

Now we got the motion

Get into the groove with me

Yeah!

You know it feels so good

And baby that's all that we need

The whole world is shaking
The rhythm is making it move
Oh yeah!
So if you think it's cool
I'll take you right on through
Let's have a real good time

Come on everybody let's party tonight Come on everybody let's party tonight Let's celebrate we just can't wait Things can only get better

Party tonight
Come everybody let's party tonight
Let's celebrate we just can't wait
Things can only get better

So if you think it's cool have a real good time ! Hey ! Whoo!
