Let the beat control your body
Let the beat control your body

Let the beat control your body
Let the beat control your body

Let the beat control your body
Let the beat control your body

Let the beat control your body
Let the beat control your body
Let the beat control your body

Let the beat control your body
Let the beat control your body
Let the beat control your body
Now the my beat control your body!

The booming system which plays in places
Move your system, change these spaces
When I'm on the mic you can't refuse
No one ever came to preach, I came to amuse
Techno making; no mistakin'; never faking
Always breaking it down, Hey to a party
Now let my beat control your body!

Let my beat
Let my beat

Let the beat control your body
Let the beat control your body
Let the beat control your body
Now the my beat control your body!

Let the beat control your body
Let the beat control your body
Let the beat control your body

My beat B.E.A.T.
It's my beat and it controls your body
It penetrates your brain
Without my beat you go insane
It's my beat and you can't break it
It's my beat and you can't fake it
It's my beat and you can't copy
Let my beat control your body

Down with the forces how we go
Second to first just you to show
You just can't stand still 'cause you gotta move
You feel the bass line you feel the groove
My beat accepts you just as you are
It drives you away just like a fast car
It's my beat, it belongs to me
So let my beat control your body!

Pow! Pouch! Pow! Pouch!

Bass in your face
Bass in your face
Supersonic motoivated
Pow! Pouch! Pouch!
Bass in your face
Bass in your face
Come on come on come on
It's time to move your feet get on yo'll

Let the beat control your body
Let the beat control your body
Let the beat control your body
Let the beat control your body

Let the beat control your body
Let the beat control your body
Let the beat contol your body
Now the my beat control your body!

Let the beat control your body
Let the beat control your body
Let the beat contol your body
Let the beat control your body, Yeah!

Let mt beat, Let mt beat

Bass in your face Bass in your face

Let the beat control your body
