

## Searching Looking

22-Pistepirkko

Waiting for my bus  
Well Im searching and looking  
Searching and looking for her  
Walking away  
Well Im searching an looking  
Searching and looking for her  
Is she wearing that same yellow dress  
Walking with that same mamas boy  
Hope she aint going steady  
Waiting for my holiday  
Well Im searching and looking  
Searching and looking for her  
And I am trying to stay clean  
Well Im searching an looking  
Searching and looking for her  
Keep on wearing that same yellow dress  
Forget all the other boys  
Go steady with me  
Well running around the street  
Looking for my girl  
Stopping at street lights  
Waiting for my girl  
Wheres that girl  
Im looking for her  
Wheres that girl  
Im searching for her  
One one one one
