

She's So Shy

22-Pistepirkko

Shes so shy
Shes so shy
Everybody know
Shes so shy
She wont even say
What's her name
Somebody said
Shes never been on dates
I didn't know which way to go
Now Im standing on her door
She didn't say yes or no
I told her I love you so
I took her by the hand
Asked her name
She said; sue
Then she kissed me
Come little sue what we gonna do
What about movies or drink or two
Name your game, dance or play
She only said oh it's ok
She so shy
She so shy
Oh everybody
Knows she's so shy
Then she took me by the hand
Asked my name
And said I love you
Then she kissed me
I didn't know what to say x4
No no no ...
