

## Swamp Blues

22-Pistepirkko

Meet the limbo  
Sue your ma  
Eat the ashtray during the party  
Why at the parties  
Parties are fun  
I left the party (why?)  
Gotta find something more fun  
Little walk might fresh my mind  
Nowhere to go, nowhere to hide  
Sneaking around, sneaking around  
I wonder why, I didn't mind  
Now I take a look at the stars  
My mind is flying straight to the mars  
Ough it looks like it should  
I gotta a feeling  
Im there's, there's for good (6x)
