

Tired Of Being Drunk

22-Pistepirkko

Jukebox jive, whiskey, dry
Days passing by, my beard is wild
My lips are dry
Bottle baby, you burn me up
Im tired of being drunk
So tired of being drunk
My grandpa on a railways
Me in the highways
Im tired of being drunk
So tired of being drunk
There is a man on my door
Devil dressed suit and tie
He wants me to sign
All the fun we have these days
Rosie, rosie Im glad it rains
My grandpa...
