

## Wild Billy

22-Pistepirkko

Hey, hey, hey mambo,  
You're the host of a haunted home  
Hey, hey, hey mambo,  
You ought to go  
I don't want you here around

Hey, hey, hey sister  
My, my only sister  
I'm ready for the race  
Hey, hey, hey sister  
My, my only sister  
I'm ready for the fade

I can't hit you easy,  
I don't care what you do to him  
Hey, hey wild Billy  
You're too old baby  
I don't miss you at all

Hey, hey wild Billy  
You ought to go  
Yes, with your sugar and coal  
Hey, hey supertime  
With a strobe light  
My ears are broken in two  
Why can't they hurt themselves

Oh no  
Oh why I sold my soldier coat,  
I don't know, I don't know
