

## Heavenly Sleep

25 Ta Life

Falling to pieces  
I need some relief  
Falling to pieces  
Lifes toll don't come cheap  
Falling to pieces  
I need an escape  
Falling to pieces  
Everyday struggle  
I need some relief

And as the angels come down  
And they give you your wings  
Fly, fly away for your heavenly sleep

May you rest in peace  
Heavenly sleep  
May you rest in peace

In a world so cold  
Where death awaits us all  
Enjoy the time we have  
Make the best of what you got
