

And when I looked into your eyes  
All was so bright to see  
Gave me a reason worth living  
Gave me a reason to wanna breathe  
One day sadly your feelings changed  
And your love, well you took that away  
Come to me with a trusting smile  
As you shove the knife right through my heart

And when i see your face  
My heart it fills with rage  
I want you to know just what you did to me  
I want for you to feel the pain you gave to me  
I want you to know what it's like to want to end your  
life

Ladyluck  
Why'd you run away  
Ladyluck  
Why did you go away

Please God help me  
Please show me the way  
Please God give me the strength  
To make it through another day

Hellbound misery torment  
Knife is through my heart  
Betrayal confusion  
Unloved and left for dead
