

## Pain Is Temporary

25 Ta Life

Memories there wonderful.  
For the pain.  
You'll Pay.  
Love is gone.  
The pain took over.  
Oh it was wonderful.  
Nothing is everlasting what can I do.  
The pain comes and goes what can I do.  
Nothing is everlasting.  
Ain't it wonderful.  
As the pain it comes and fucking goes.
