

# Promise Keeper

25 Ta Life

Remember  
What was said  
Back days gone by  
I don't blame you for what's become  
I just want it back  
What I remember it being  
Fucking strong

Well its been over 10 years  
And the roads taking me places  
I aint never dreamed  
Over 10 years  
And the spirit still remains  
It still remains

Promise keeper right from the start  
Promise keeper right from the heart  
Promise keeper sincerity pride  
Promise keeper keep it alive

Yeah it's cool you moved on  
But don't mock me  
Cause I believe  
You do what you want  
With your life  
And I'll do the same

Promise keeper  
Straight Edge  
Promise keeper  
Hardcore  
Promise keeper  
Drug free  
Promise keeper  
Pride
