You ain't down with what I say.

Cause face to face my shit will blow up.
Mush ya in da face my respect I'll take.
Speaking the truth and your getting upset.
To caught up in those fantasies that fill your head.
Shortfuse and your keepin on me.
Testing my patience that's the wrong thing.
Shortfuse and your pissing me off put up you firt.
Show me what you're made of.
