

## The Old You

28 Days

You seem to like the taste of pain  
you're coming back for seconds  
like you've got no shame, yeah  
won't you just admit it  
you know you are addicted  
and you love the pain, yeah  
won't you admit it

it's getting in the want the truth  
well ill give it to you  
right now  
get back, get back

won't you just give it up  
get back, get back  
or give it up now  
get back, get back  
won't you just give it up  
yeah, yeah yeah

so please
