

# The Way You Do Me

2gether

Girl the way you do me  
Hey, oh  
Girl the way you do me

Girl my head's on fire  
Since our very 1st kiss  
Dreamed of us 2gether  
Now they're dreamless  
Took me up to your room  
To show me who you are  
The cup is running over  
or maybe its your bra

Girl, the way you do me  
Makes me say wassup  
When you're finished  
I'm on the floor  
Feeling down feeling up  
Girl the way you do me  
Driving me insane  
I never felt this way before

I tell ya how I'm feeling  
There's no way to begin  
like winning half a million  
and then kissing Philbin  
Girl I know you're moody  
You blow hot, blow cold, cold  
That's the way I like it  
You're what I want to hold

Girl, the way you do me  
Makes me say wassup  
When you're finished  
I'm on the floor  
Feeling down feeling up  
Girl the way you do me  
Driving me insane  
I never felt this way before

Girl, the way you do me  
Makes me say wassup  
When you're finished  
I'm on the floor  
Feeling down feeling up  
Girl the way you do me  
Driving me insane  
I never felt this way before

Our Paris Blues & Gap you  
Can't wait to unwrap you  
You know I am feeling you  
Are you feeling me  
If you didn't phone me  
You see my sky turning black  
I wish my mom would loan me  
A couple of Prozac

But I won't let it get to me  
I know you just forgot  
'Cause girl you're always with me  
Even when you're not

Girl, the way you do me  
Makes me say wassup  
When you're finished  
I'm on the floor  
Feeling down feeling up  
Girl the way you do me  
Driving me insane  
I never felt this way before

Girl, the way you do me  
Makes me say wassup  
When you're finished  
I'm on the floor  
Feeling down feeling up  
Girl the way you do me  
Driving me insane  
I never felt this way before

Girl the way you do me
