

Words

2nd Suicide

A word for love
A word for death
A word to command
A word to set free

The words in the tree
Malchut, Iesod, Keter
The words in creation
The words in destruction

The word become flesh
My flesh become the word
This stone of ours
Carve the letters
On my forehead

The words in the tree
Hod, Binah, Keter
The words in salvation
The words in damnation

Chorus:
And I shall be like unto him
Knowing the words that were before
Before anything was made
Before He was

The words of the beginning
And the words of the end

A word for love
A word for death
A word to command
A word to set free

A word to exalt
A word to degrade
A word of ascencion
A word of the fall

The words in the tree
Nizah, Chesed, Keter
The words of beginning
The words of the end

(chorus)
