

## Can U C the Pride in the Panther (Male Version)

2pac

It's said that every revolutionary act is a act of love  
And this is an act of love  
All power to the people  
I said the P is for power, the A for action  
The N-T because now is the time to get it done  
See the H is for heart, and the E for effect  
The R hold it down at the end for respect  
Who am I? A panther  
Who am I? A panther  
What I got I got SOUL, what I got I got LOVE  
What I got I got PRIDE, what I wanna be FREE  
Raise your hands in the air if you feel like me

Who am I? A panther  
Who am I? A panther  
What I got I got SOUL, what I got I got LOVE  
What I got I got PRIDE, what I wanna be FREE  
Raise your hands in the air if you feel like me

Can you see the pride of the panther  
as he glows in splendor and grace?  
Toppling obstacles placed  
in the way of the progression of his race  
Can you see the pride in the panther  
as she nurtures her young, all alone?  
The seed must grow, regardless  
of the fact that it's planted, in stone  
Can't you see the pride of the panthers  
as they unify, as one?  
The flower blooms, with brilliance  
and outshines the rays of the sun  
Outshines, like the sun  
Shines out, like the sun  
Shines bright, like the sun  
Brings light, like the sun  
[Mos Def w/ group emphasizing]  
P is for power, the A for action  
The N-T because now is the time to get it done  
See the H is for heart, and the E for effect  
The R hold it down at the end for respect  
Who am I? A panther  
Who am I? A panther  
What I got I got SOUL, what I got I got LOVE  
What I got I got PRIDE, what I wanna be FREE  
Raise your hands in the air if you feel like me  
Who am I? A panther  
Who am I? A panther  
What I got I got SOUL, what I got I got LOVE  
What I got I got PRIDE, what I wanna be FREE  
Raise your hands in the air if you feel like me

This song is dedicated to all those who live and die for the struggle  
Panthers, children of the Panthers, or all those, who strive for  
free minds, free souls, free bodies.. for freedom  
And love.. love.. love is the engine to the revolution
