I wonder if heaven got a ghetto (4x)

I was raised, the little young nigga doin bad shit Talk much shit cause I never had shit I could remember being whupped in class And if I didn't pass mama whupped my ass Was it my fault papa didn't plan it out Broke out left me to be the man of the house I couldn't take it, had to make a profit Down the block, got a glock, and I clock grip Makin G's was my mission Movin enough of this shit to get my mama out the kitchen and why must I sock a fella, just to live large like Rockefeller First you didn't give a fuck, but you're learnin now If you don't respect the town then we'll burn you down God damn it's a motherfuckin riot Black people only hate police so don't try it If you're not from the town then don't pass through Cause some O.G. fools might blast you It ain't right but it's long overdue We can't have peace til the niggaz get a piece too I want G's so you label me a criminal And if I die, I wonder if heaven got a ghetto

Here on Earth, tell me what's a blick life worth A bottle of juice is no excuse, the truth hurts And even when you take the shit Move counties get a lawyer you can shake the shit Ask Rodney, LaTasha, and many more It's been goin on for years, there's plenty more When they ask me, when will the violence cease? When your troops stop shootin niggaz down in the street Niggaz had enough time to make a difference Bear witness, own our own business Word to God cause it's hard tryin to make ends meet First we couldn't afford shit now everything's free so we loot, please don't shoot when you see I'm takin from the, cause for years they would take it from me Now the tables have turned around You didn't listen, until the niggaz burned it down And now Bush can't stop the hit Predicted the shit, in 2Pacalypse And for once I was down with niggaz, felt good in the hood bein around the niggaz, yeah And for the first time everybody let go And the streets is death row, I wonder if heaven got a ghetto

I see no changes, all I see is racist faces
Misplaced hate makes disgrace to races
We under I wonder what it take to make this
one better place, let's erase the wait state
Take the evil out the people they'll be acting right
Cause both black and white are smokin crack tonight
And only time we deal is when we kill each other
It takes skill to be real, time to heal each other
And though it seems heaven-sent
We ain't ready, to have a black President, huh

It ain't a secret don't conceal the fact
The penitentiary's packed, and it's filled with blacks
I wake up in the morning and I ask myself
Is life worth living should I blast myself
I'm tired of being poor and even worse I'm black
My stomach hurts so I'm lookin for a purse to snatch
Cops give a damn about a ne-gro
Pull a trigger kill a nigger he's a hero
Mo' nigga mo' nigga mo' niggaz
I'd rather be dead than a po' nigga
Let the Lord judge the criminals
If I die, I wonder if heaven got a ghetto

Just think, if niggaz decide to retaliate (Soldier in the house) I wonder if heaven got a ghetto (4x)
