```
[Intro]
[Providence] Ooooh Ooooh [RasDaveed] Tell me I will be there
    Yeah....
```

[Verse 1] [Providence]

If there be pain

All you have to do is call on me

If there be pain (hmm hmmm)

All you have to do is call on me

To be with you (to be with you)

And before you hang up the phone

You will no longer be alone

Together we can never fall

Because our love will conquer all

[RasDaveed chants]
[Verse 2] [Providence]
If there be pain
Reach out for a helping hand
If there be pain
And I shall hold you wherever I am
Every breath I breathe will be into you
For without you here my joy is through
My life was lived through falling rain
So call on me if there be pain

[Outro] [Providence & RasDaveed El Harar] If there be pain
Every breath I breathe will be into you
For without you here my joy is through
My life was lived through falling rain
So call on me if there be pain

If you need me
If you need me
Ooohh ooooh
