

# Me Against The World

2pac

It's just me against the world  
Oooohhh, oooohhh  
Nuttin to lose..  
It's just me against the world baby  
Oahhhh, oahhhahh  
I got nuttin to lose  
It's just me against the world  
Oh-hahhhh  
Stuck in the game  
Me against the world baby

Can you picture my prophecy?  
Stress in the city, the cops is hot for me  
The projects is full of bullets, the bodies is droppin  
There ain't no stoppin me  
Constantly movin while makin millions  
Witnessin killings, leavin dead bodies in abandoned buildings  
Carries to children cause they're illin  
Addicted to killin and the appeal from the cap peelin  
Without feelin, but will they last or be blasted?  
Hard headed bastard  
Maybe he'll listen in his casket -- the aftermath  
More bodies being buried -- I'm losing my homies in a hurry  
They're relocating to the cemetary  
Got me worried, stressin, my vision's blurried  
The question is will I live? No one in the world loves me  
I'm headed for danger, don't trust strangers  
Put one in the chamber whenever I'm feelin this anger  
Don't wanna make excuses, cause this is how it is  
What's the use unless we're shootin no one notices the youth  
It's just me against the world baby

Me against the world  
It's just me against the world  
Ooooh yeah, ooo-hooo  
It's just me against the world  
Me against the world  
Cause it's just me against the world baby  
Hey!!  
Me against the world  
Ooooh yeah  
I got nuttin to lose  
It's just me against the world baby  
I got nothing to lose

Could somebody help me? I'm out here all by myself  
See ladies in stores, Baby Capone's, livin wealthy  
Pictures of my birth on this Earth is what I'm dreamin  
Seein Daddy's semen, full of crooked demons, already crazy  
and screamin I guess them nightmares as a child  
had me scared, but left me prepared for a while  
Is there another route? For a crooked Outlaw  
Veteran, a villian, a young thug, who one day shall fall

Everday there's mo' death, and plus I'm dough-less  
I'm seein mo' reasons for me to proceed with thievin  
Scheme on the scheming and leave they peeps grieving

Cause ain't no bucks to stack up, my nuts is backed up  
I'm bout to act up, go load the Mac up, now watch me klacka  
Tried makin fat cuts, but yo it ain't workin  
And Evil's lurking, I can see him smirking  
when I gets to pervin, so what?  
Go put some work in, and make my mail, makin sales  
Risking 25 with a 'L', but oh well

Me against the world  
With nuttin to lose  
It's just me against the world  
Ooh yeah.. ooh-ooooh  
It's just me against the world baby  
Me against the world  
I got nuttin to lose  
It's just me against the world  
Oahhhohh  
Ha ha  
It's just me against the world baby  
Ha-ahh, HA-AHH!  
With nuttin to lose  
It's just me against the world baby  
Me against the world, hoahhh  
Me against the world  
I got nuttin to lose  
It's just me against the world baby  
Ha-hahh (hehe) heyy!

With all this extra stressin  
The question I wonder is after death, after my last breath  
When will I finally get to rest? Through this supression  
they punish the people that's askin questions  
And those that possess, steal from the ones without possessions  
The message I stress: to make it stop study your lessons  
Don't settle for less - even the genius asks-es questions  
Be grateful for blessings  
Don't ever change, keep your essence  
The power is in the people and politics we address  
Always do your best, don't let the pressure make you panic  
And when you get stranded  
And things don't go the way you planned it  
Dreamin of riches, in a position of makin a difference  
Politicians and hypocrites, they don't wanna listen  
If I'm insane, it's the fame made a brother change  
It wasn't nuttin like the game  
It's just me against the world

Me against the world  
Nuttin to lose  
It's just me against the world baby  
Me against the world  
Got me stuck in the game  
It's just me against the world  
Oahhhhhh  
I'd be ashamed to lose  
It's just me against the world baby  
Me against the world

Heh, hahahahahahah  
That's right  
I know it seem hard sometimes but uhh  
Remember one thing  
Through every dark night, there's a bright day after that

So no matter how hard it get, stick your chest out  
Keep your head up, and handle it

Me against the world [3X]
