As real as it seems the American Dream Ain't nothing but another calculated schemes To get us locked up shot up back in chains To deny us of the future rob our names Kept my history of mystery but now I see The American Dream wasn't meant for me Cause lady liberty is a hypocrite she lied to me Promised me freedom, education, equality Never gave me nothing but slavery And now look at how dangerous you made me Calling me a mad man cause I'm strong and bold With this dump full of knowledge of the lies you told Promise me emancipation indispute nation All you gave my people was our patience Fathers of our country never cared for me They kept my answer shackled up in slavery And Uncle Sam never did a dam thing for me Except lie about the facts in my history So now I'm sitting hear mad cause I'm unemployed But the government's glad cause they enjoyed When my people are down so they can screw us around Time to change the government now panther power

Panther power Panther power Panther power

Coming straight that resides within

Go toe to toe with a panther and you just can't win

Suffered fame bats suppressed the rest

The rich get richer and the poor can't last

The American Dream was an American nightmare

You kept my people down and refuse to fight fair

The Klu Klux Klan tried to keep us out

Besides drew they know no blacks allowed

With intimidation and segregation was a way for our freedom

But now were impatient

Blacks the other skin: dead or sell outs

Freedom, equality, then I'll yell out

"Don't you ever be ashamed of what you are

It's ya panther power that makes you a star"

Panther power

My Mother never let me forget my history
Hoping I was set free chains never put on me
Wanted to be more than just free
Had to know the true facts about my history
I couldn't settle for being a statistic
Couldn't survive in this capitalistic
Government cause it was meant to hold us back
Using ignorant, drugs, to sneak attack
In my community think of unity
But when I charged them, tried to claim immunity

I strike America like a case of hard disease
Panther power is running through my arteries
Try to stop oh boy you'll be clawed to death
Cause I'll be fighting for my freedom with my dying breath
Do you remember that is what I'm asking you?
You think you living free don't let me laugh at you
Open your eyes realize that you have been locked in chains
Said you wasn't civilized and stole your name
Cause some time has passed seem you all forget
There ain't no liberty to you and me we all ain't free yet
Panter power
