

Dangerous

2PM

You're so pretty that I keep staring at you
You look like a star (You look like a star)
When I look at you, my heart trembles
Don't waste my time (Don't waste my time)

I can't help my heart
I tried to turn it back but I can't
Now give up and just receive it
My heart is already yours anyway

Dangerous, though you are dangerous
Dangerous, that's even more attractive to me
Everyday Everywhere Um Um Um
But dangerous It is dangerous

Oh girl, you don't know my heart
You linger around me even till I fall asleep
I tell you to leave but you don't leave
You come in even more into my dreams
365 days, 24 hours, 1 minute, 1 second are all for you
Just like always, I can't fall asleep today
I'll have to hug you and fall asleep in my dreams

You're so cute that I keep staring at you
You look like a doll (You look like a doll)
When you look at me, my heart races
Don't waste my time (Don't waste my time)

I can't help my heart
I tried to turn it back but I can't
Now give up and just receive it
My heart is already yours anyway

Dangerous, though you are dangerous
Dangerous, that's even more attractive to me
Everyday Everywhere Um Um Um
But dangerous It is dangerous

I still want you
But you are with that person
If it hurts too much for you, you can just stay as you are

Dangerous, though you are dangerous
Dangerous, that's even more attractive to me
Everyday Everywhere Um Um Um
But dangerous It is dangerous

You're so pretty that I keep staring at you
