

I'm Sorry

2PM

Yeah, I can't get you outta my head
And it plays again, and it plays again

Tonight I want to share my love with you
I am wanting you like this, baby I want you
Look at me one time, I'm ready
Please don't go like that, oh I don't wanna let you go

So I can't stop stop stop thinking about the time that we were
together (we were together)
So I can't stop stop stop thinking about the time that we were
together (we were together)

Baby I'm sorry, don't leave me, don't leave me
It might be a little awkward but just trust me for today
Baby tell me, tell me, that you love me, that you want to be with
me, my lady

Especially tonight, I can't just let you go
I am wanting you like this, baby I want you
Look at me one time, I'm ready
You don't wanna go either, oh I don't wanna let you go

So I can't stop stop stop thinking about the time that we were
together (we were together)
So I can't stop stop stop thinking about the time that we were
together (we were together)

Baby I'm sorry, don't leave me, don't leave me
It might be a little awkward but just trust me for today
Baby tell me, tell me, that you love me, that you want to be with
me, my lady
