

# Behind Those Eyes

3 Doors Down

Ohh yeah  
Ohh yeah

You said "I got something to say"  
Then you got that look in your eye  
"There is something you've got to know"  
You said it as you started to cry

"I've been down the wrong road tonight  
And I swear I'll never go there again"  
I've seen this face once before  
And I don't think I can do this again

There's something I can't see  
There's something different in the way you smile  
Behind those eyes you lie  
And there's nothing I can say  
Cause I'm never gonna change your mind  
Behind those eyes you hide

As you turned to walk away  
I saw another look in your eye  
And even though it hurt like it did  
I couldn't let this be your goodbye.

You say that you're sorry  
And you say now that it hurts you the same  
Is there something here to believe  
Or is it just another part of the game?

There's something I can't see  
Something living in the way you smile  
Behind those eyes you lie  
And there's nothing I can say  
Cause I'm never gonna change your mind  
Behind those eyes you hide

Ohh yeah  
Ooooooo  
Ohh woah

Behind those eyes you lie  
Behind those eyes you hide

There's something I can't see  
Something living in the way you smile  
Behind those eyes you lie  
And there's nothing I can say  
Cause I'm never gonna change your mind  
Behind those eyes you hide

There's nothing I can say  
That's ever gonna make you change your mind  
Behind those eyes you hide

Behind those eyes you lie
