

Duck and Run

3 Doors Down

To this world I'm unimportant
Just because I have nothing to give
So you call this your free country
Tell me why it cost so much to live

Tell me why
This world can turn me down?
But I won't turn away, oh no
And I won't turn around

All my work and endless measures
Never seem to get me very far
Walk a mile just to move an inch
Now even though I'm trying so damn hard
I'm trying so hard

This world can turn me down but I won't turn away
And I won't duck and run 'cause I'm not built that way
When everything is gone there's nothing there to fear
This world cannot bring me down, no 'cause I am already here, oh no

I'm already here, down on my knees
I'm already here, oh no, I'm already here
I must have told you a thousand times
I'm not running away

I won't duck and run
I won't duck and run
I won't duck and run
No, no, no pass away

This world can turn me down but I won't turn away
And I won't duck and run, 'cause I'm not built that way
When everything is gone there's nothing there to fear
This world cannot bring me down no, 'cause I'm already here

This world can turn me down but I won't turn away
And I won't duck and run 'cause I'm not built that way
When everything is gone there's nothing there to fear
This world cannot bring me down, no 'cause I'm already here
